

/home/nim_13512501
/Documents/tubes 2 OS
/poi/src/file-manager.h

```
graph TD; A["/home/nim_13512501<br/>/Documents/tubes 2 OS<br/>/poi/src/file-manager.h"] --> B["stdio.h"]; A --> C["stdint.h"]; A --> D["errno.h"];
```

The diagram illustrates a file inclusion structure. At the top, a gray box contains the file path `/home/nim_13512501/Documents/tubes 2 OS/poi/src/file-manager.h`. Three blue arrows point from this box to three separate white boxes below it, which contain the headers `stdio.h`, `stdint.h`, and `errno.h`.
