

test_get_poi_file_block_byte

```
graph RL; main --> test_get_poi_file_block_byte
```

The diagram consists of two rectangular boxes. The box on the left is gray and contains the text 'test_get_poi_file_block_byte'. The box on the right is white and contains the text 'main'. A dark blue arrow points from the 'main' box to the 'test_get_poi_file_block_byte' box, indicating a call or flow from main to the function.
